

Consultancy services

The Department has started taking up consultancy services as part of its community interaction and research programmes. The Department has constituted Consultancy Cell to offer consultancy to Government and non-government organisations. Faculty members also offer consultancy on an individual basis.

Funded Research Projects

Title of Project	Name of Principal Investigator/Co-investigator	Funding Agency	Year of Project Completion	Ongoing/Completed	Grant Received
Floristic diversity of Dharwad district with special reference to RET species	Dr. R Parimal	UGC	2005	Completed	Rs.30000/-
Microsporogenesis and histochemical studies in some hydrophytes	Dr. S B Gadi	UGC	2008	Completed	Rs.100000/-
Pollen Morphology of Malvaceae members	Dr. Sharada Kunnur	UGC	2013	Completed	Rs.70000/-
Phytochemical studies on Asteraceae members of Dharwad district	Dr. V S Bheemareddy	UGC	2016	Completed	Rs.100000/-

Extension Activities

1. Radio talks on COVID – 19, Biodiversity, Conservation of medicinal plants, Floristic wealth of Dharwad district was given to bring the awareness about the importance of the plants.

Membership for Academic bodies:

Dr. V S Bheemareddy and S B Gadi worked as BOAE members of Karnatak University, Dharwad

Dr. V S Bheemareddy and S B Gadi working as BOS members of Karnatak University, Dharwad since September 2019.

Dr. V S Bheemareddy BOS member of P. C. Jabin Science College Hubli since June 2019.

Dr. V S Bheemareddy BOS member of SDM College Ujire since September 2019.

Dr. V S Bheemareddy worked as BOS member of Proudadevaraya University, Bellary from 2014 to 2017.

Dr. Ratna Airsang Life member to Karnatak University Botany Teacher's Association.

Dr. Ratna Airsang Life member of Alumini association of P.G.Studies in Botany Karnataka University Dharwad.

Dr. Ratna Airsang Life member of Advisory committee member to “Kriyasheela Geleyaru” – Social organization (NGO).

Research Areas

1. Biosystematics
2. Histochemistry and morphogenesis
3. Ecophysiology
4. Environmental biology
5. Phytochemistry
6. AM Fungi
