A. Depth

B. Relevancy

C. Adequacy

D. Sequence of Units

E. Library holding

1. After the statistical analysis, it is found that majority of the students have no objection on adequacy and relevance of the syllabus. However some of them appealed for little more depth in syllabus.
2. Some of the students commented that the sequence of the units in the syllabus of some subjects should be chronological and interrelated.
3. Students suggested the vocational touch and hence they want employment oriented syllabus.

Action Taken

Analysis of the students' feedback was conducted and the following actions were taken.

1. The depth of syllabus can be adopted in accordance with the changes of university syllabi. Ours is the affiliated college to Karnatak University, Dharwad. Hence we have orally requested to the concerned authority of Syllabus in University.
2. Through BOAE and BOS members of the college, the issue related to the sequence of the units in the syllabus was discussed in the university meeting on syllabi.
