**Restricted entry of automobiles**

## RESTRICTED ENTRY OF AUTOMOBILES

In the campus vehicles entry is restricted except students and staff. At the gate entrance, out of 23 security staff, a team of security guards control the entry of outside vehicles and public. The vehicles owned by faculty or students with pollution check stickers are permitted into the campus. Random checks are made to check the validation and periodicity of this certificate. For two wheelers or four wheelers, security measures are mandatory. JSS institutions operate a fleet of 29 school buses covering each corner of Dharwad city to facilitate the students and staff. The institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution. The school buses are checked for pollution by the authorized agency.
