

REPORT ON POST NAAC ACTIVITIES

FOR THE ACADEMIC YEAR 2005-2006

INTRODUCTION :

The inception of the Banashankari Arts, Commerce and Shantikumar Gubbi Science College, Dharwad dates back to June 1944. The esteemed educational institution is more familiar and popularly known as JSS (Janata Shikshana Samiti College). Beautifully located on a natural hillock, amidst the lush green surroundings, it captivates the onlookers with the exquisite calm and tranquility. It is now considered as one of the pioneer and most prestigious colleges in the twin-cities of Hubli-Dharwad, and also in the region of North Karnataka, which is affiliated to the Karnataka University, Dharwad. Owing to its academic excellence, unremitting commitment to imparting quality education and its pursuit for an all-round growth and development of the student's personality, it has been aptly Accredited 'A' Grade by the Honorable National Assessment Accreditation Council during the Academic year 2004-2005.

The comprehensive Report for the Academic year 2005-2006 in compliance with the NAAC directives and requirements is as follows:

PART – A:

2. Prof. P. S. Haliyal, Rtd Prof. KUD
6. Co-ordinator of the IQAC : **Prof . S. V. Bhat**

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement are :

- A) In order to cater to the growing needs of the students, it is proposed to launch a new course in Microbiology for B.Sc. students for the academic year 2006-2007. At the same time it is sincerely intended to enhance the number of seats in Biotechnology and BCA courses from the existing 30 to 50 seats taking in to account the increasing demand for the respective courses.

- B) It is proposed to establish a Placement Cell to provide job opportunities to the students. This step will certainly infuse a sense of social and economic security in students of this College.
- C) It has been planned to raise and maintain an indigenous garden of Medicinal Herbs and Plants on the campus of the College.
- D) It is the responsibility of the institution to care for the health of the students. In order to train and vitalize their Mind, Body and Soul, an arrangement has been made for yoga classes.
- E) With a view to improve the language abilities of students, courses like Spoken English, Skills of Communication and English Grammar have been introduced at the college. Large number of students of our college will avail the benefit above programs.
- F) The effective study of science is possible only through well furnished, good equipped laboratories in the different disciplines of Science. The college has maintained the laboratories spic and span. Besides the usual facilities well equipped Biotechnology and Microbiology laboratories have been newly established to meet the requirements of the two disciplines.
- G) The college has designed and maintained a well-disciplined Academic Schedule to enhance the knowledge and skills of students. This has been attracting the students to various courses in Science, Arts and Commerce. The students number is multiplying each year, which necessitated the construction of additional classrooms. Hence it is plan to construct new classrooms to accommodate increasing strength of the students.

H) It is proposed to launch a Post Graduate Course in Biotechnology. The Karnataka University has made a provision to introduce this discipline at the College. In connection with this aspect, the college has completed all the required formalities and the final approval from the University are awaited eagerly.

The college is keen on the Research and Training Programmes for the teaching and non-teaching staff. Consequently the teaching staff are deputed for FIP and the non-teaching staff are enabled to undergo technical training to better their skills for smooth functioning of the administrative network.

PART – B :

1) Activities reflecting the goals and objectives of the institution:

Education should aim at an all round development of the Body, Mind and Soul. In order to achieve this goal, the college has been sincerely striving hard to bring about desirable improvements in the academic field.

At the same time various extra curricular activities are also conducted according to a specially designed schedule. A number of such activities were conducted by a specific 'Fine Arts' Department of the college. It was also intended to inculcate leadership qualities in students through a few well planned activities.

Refer to Annexure No.1 :

2) New academic programmes initiated (UG and PG) :

With a view to enhance the intake capacity for Biotechnology and BCA courses an application has been forwarded to the Karnataka University, Dharwad. In response to the application, the authorities concerned have reacted positively. The LIC (Local Inquiry Committee) team paid an official visit, inspected the requirements, approved the demand and sanctioned the enhancement plan.

3) Innovations in curricular design and transaction.

Better and effective teaching is possible through advanced teaching aids. The college has introduced LCD Projector and computers to create three-dimensional effects, which consequently brings about better grasping and understanding with neat and effective presentations. Students feel fascinated and deeply impressed their knowledge grows with interaction and wisdom and with enlightenment. The college has made an arrangement to invite eminent guest speakers from various disciplines to address the students who give first hand information on different aspects of their chosen fields.

17) Community Services :

The JSS College envisages innumerable and diverse community services availing support and cooperation of the local authorities concerned.

The important meeting of NSS Officers, Principals of Colleges of Dharwad city and HDMC Carporators was convened on 27th July 2005 to discuss at length **'The Participation of NSS Units in the Development of the City of Dharwad'**. The key authorities like Mr.Manivannan, IAS, Commissioner, Hubli-Dharwad Municipal Corporation, Dharwad (HDMC), Mr.Kotrayya, Lesion Officer, NSS Karnataka State Unit, Dr.Somashekharappa, Coordinator, NSS, Karnatak University, Dharwad participated in the meeting.

The college gives utmost importance to environmental issues. A Rain Harvesting Project was taken up on the College Campus on 3rd September 2005. Rain Harvesting Pits and Trenches were given a proper shape to conserve water and prevent soil erosion.

The NSS Volunteers of the college collected an donation of Rs.3040/- towards the rehabilitation of victims of the flood-affected areas of Bijapur district. The amount was submitted to the Chief Minister's Relief Fund.

Our NSS Volunteers enthusiastically participated in a rally organised by Karnataka University, Dharwad and BAIF to create an awareness about conservation of water and its increasing value and importance.

Human life is invaluable and very precious indeed! Blood can breathe life into the patient and offer him a rare opportunity to lead a normal life once again. Realizing this fact, our 32 NCC cadets and about 18 other students of our college participated in the Blood Donation Camp and Blood Group Identification Camp held on 8th October 2005 and 15th August 2005 respectively at the SDM College of Medical Sciences, Sattur, Dharwad.

The College has made an arrangement to provide medical facilities to the slum dwellers of the nearby localities as a vital part of the Community Service. The charity medical services are made available for the less fortunate and under-privileged, entirely on humanitarian grounds.

To emphasize the hazards of plastic, a rally was jointly organized by the college and Hubli-Dharwad Municipal Corporation, Dharwad (HDMC).

18) Teachers and officers newly recruited :

Being an aided institution recruiting Teaching and Non-Teaching staff require an approval from the Government of Karnataka. Since 1989 no such permissions are granted for any appointments. But our management has regularly recruited necessary teaching and non-teaching staff for various departments on need base to fulfill effectively teaching and learning and administration.

The management of J.S.S. has recruited the following teaching and non-teaching staff during the year 2005-2006.

20) Improvements in the Library Services :

Books are the treasures of enormous wisdom they have been aptly described as ' the never failing friends'. The library of JSS College is one of the most envied libraries in the region by volume and extent. It contains some of the best editions on various disciplines by illustrious authors. Besides, the prescribed books, reference books and source books, the library possesses innumerable books, on a variety of fascinating subjects. Many national and international journals are also made available for the benefit of students and staff.

A series of the most valuable new books on Biotechnology and Microbiology were purchased. At the same time many proficient journals were subscribed.

We have received many good books donated by Poojaya Shri.D.Veerendra Heggade and the Chairman, and The Central Hindi Directorate, New Delhi.

Separate sections are maintained systematically for Employment, Higher Education and Information purpose.

Separate Reference Sections were opened in the Ladies Hostel and Boys Hostel of our College and also in our Junior College and High School for the benefit of the students. Newspapers, magazines and important reference Books are kept with the kind and generous support of the Central Library, Dharwad.

SPECIAL FEATURES OF THE LIBRARY DURING 2005-2006 :

The services and activities of the JSS College library expanded considerably. The chief motive was to help the stake holders and also the staff of the college in enriching their knowledge.

Accordingly:

- 1) Under the UGC Book Bank Scheme, books were issued to nearly 1000 students. (This includes the students belonging to SC/ST, other Backward Class, Meritorious Students and Outstanding Sportsman. About 3500 books were distributed through this scheme.
- 2) The National Book Trust of India (A Government of India Book Publishing Organisation) conducted a voluminous Book Exhibition at our library. The teaching faculty and students of local schools and colleges availed great benefits from the book exhibition by and large.
- 3) A new device has been added to the assets of the college. A new Digital Xerox Machine has been purchased and installed in the library to enable the staff and students to possess the Photostat copies from the important books and journals. This Machine-Digital 420 Copies + Printers costs Rs. 88400/-.
- 4) True to the concept of Globalisation, a Broad Band Access Internet Facility has been introduced in the library. This facilitates the college to establish links with vital corners of the globe.
- 5) With a view to help the students, the timing of the library (reading houses) was extended up to 9 P.M. at the time of examination.

25) Increase in the infrastructural facilities :

Keeping in view, the ever increasing strength of the college in the previous years, it was unanimously decided to expand accommodation for these desirous students. Consequently, a few more new classrooms were constructed in the year 2005. The existing classrooms, which needed minor repairs, were given a fine finishing – touch with a little face lifting. Some classrooms were refurnished. During the same year, a well equipped and well furnished auditorium and a seminar hall with all modern amenities were constructed. This was yet another milestone established in a very short period.

26) Technology upgradation :

Computerization of administration has been done skillfully. Now computers have been purchased as per the total requirement of the institution. They are used aptly and prolifically by the various departments according to their needs. Each department has a Computer Aided Learning Package. (CAL). Additional LDC Projector is installed in the lecture hall to facilitate the teachers for Power Point Presentations of the topics in various subjects.

27) Computer and internet access and training to teachers and students :

It is needless to say that a college should have computers for teachers and students. The JSS College is pragmatic and deeply keen about the installation and utility of computers. The college has encouraged computerization of various functions. A large number of training and orientation programmes were arranged for the teaching and administrative staff.

28) Financial aid to students :

The College has various schemes to provide financial aid to the students. Scholarships have been sanctioned to the deserving students on the basis of merit, financial backwardness and SC/ST category students.

The institution has sanctioned the financial aid in the form of fee concession free accommodation in the Hostel, particularly for meritorious, economically backward and for students with outstanding achievements in sports and games.

Fee exemption is given for the employees children for aided courses and concession to the tune of the 50% for un aided courses.

Ref. Annexure 4 :

29) Support from the Alumni Association and its activities :

The college has a vibrant and enthusiastic Alumni Association. The Alumni Meet was held in the month of January 2005. A plan was chalked out to raise funds and accumulate funds for the overall development of the institution and also to provide financially aid the poor students.

Some of the alumni's are most generous to donate and have donated books, Cupboards and furniture's to the institutions.

30) Support from the Parent-Teacher Association and its activities:

A progressing institution makes a provision for an interaction between the parents and teachers. Regular interaction Meeting of Parents and Teachers was conducted in each academic year to review and upgrade the programmes of the students.

Suggestions are invited from the parents for the academic improvements of the students.

Up to date report of the performance of the students is sent to the parents at end of class tests and mid term examinations by post for their kind perusal.

31) Health Services :

The College has established a permanent Urban Health Centre of SDM Medical College in the college campus which takes care of the health of the students and staff.

Health Center takes up routine medical check up of the students and maintains an up to date record. This also includes a dental check up by the doctors of SDM Dental College a sister institution.

Doctors are always available for the medical service at the Health Center from 9 am to 5 p.m.
